Board/Rep Meeting

August 8, 2022

- Reducing “events” to our big ones where we get returns
- Trying to transitioning to assigning a team to work that event, instead of having individual/voluntary signups
- Fall Dates review / Team nights
 - Make sure to obtain information on whether certain teams “cannot do” a specific night (competitions, etc.)
 - We will be flexible on whether we do program sign-up vs. Freshman only, etc.
 - Committee will be working to help start and fine-tune this process.
 - This fall: volleyball tournaments (Sat. mornings), and football games (Friday nights minus first home game on Thur.)
 - Aiming to put the signups to match the payouts.
 - We will be watching overall participation to get away from 2hours per player.
 - In the first emails to your teams, please email parents the new system of signing the team up vs 2hrs per player.
